BADMINTON RESUME

Christopher Ngo began playing badminton in 2004 at Bintang, and went on to train at Smash City and BBC3. He qualified for U15 Jr. Nationals, then started his high school badminton career as Varsity 1 BS for MHS in SCVAL of California Interscholastic Federation CCS. He has also competed in many open tournaments at C Flight, events: MD, MS, and XD. At Mission College, he helped train the Women's Intercollegiate Team.

Outside badminton, Christopher is an engineer and consultant who teaches computer science at universities around the world, and runs several education organizations (HackingEDU, SiliconHacks, Spectra Hackathon).
